

PREVENT NATIONAL REFERRAL FORM PATHWAY - TVP

Statutory agencies to refer Prevent Cases to their local area

INSTRUCTIONS FOR POLICE MASH

1. Forward referral to relevant Social Care Team; i.e. CHILDREN or ADULT.

2. Request Social Care **TAKE NO ACTION** but make contact with the Prevent Team to discuss urgent safeguarding and onward progression.

INSTRUCTIONS FOR SOCIAL CARE MASH

1. Referral is reviewed by front end MASH / Social Care Team.

2. Identify if there are any urgent non-Prevent safeguarding concerns that need immediate action to be taken due risk or threat.

2A. Make contact and discuss case with someone from Prevent.

2B. Record and agree action for any immediate safeguarding matters;

OR

3. If no immediate concerns: **DO NOTHING / HOLD** pending CTP de-confliction and further instruction.

CTPSE ACTIONS

1. FIMU de-conflict and confirm suitability for Prevent action.
2. If FIMU is notified of immediate safeguarding concerns, then de-confliction is prioritised.
3. Prevent Team record on National tracker pending FIMU action
4. Prevent Team complete Prevent Gateway process, allocate to appropriate staff member, ensure local records are created / updated where appropriate (NICHE) and update relevant partners.
